MRS. LYNDA LAIRD

Dear Mrs. Laird
Well Mrs Laird I have been a pleasure being with you during 5 period in my senior year. It was really great dating with you and having to end that relationship with the problems I had at home. And also helping on going to college. I had you on my mind you are living and going to gather city. Mrs really going to be when I see you, cause I think you are the greatest and open ear that you can have. I really gave me a hard and answers to my problems and you were there when I need to talk to you when I had fights with my Cannula I had to end this relationship cause it's there's this is the first long years living and if you are in town this is the first long years. And if you ever decide to come back and see how things are going with me feel free to write. Take care and God bless you and hope you look for him and as for hope you go back to counseling take care

Take care

Dear Clay,
don't forget
to write
O.K.

Ben C. Dog

Dear Clay,
Thanks for your letter. I'm sorry to hear about your problems with your cannula. I'm glad you're getting counseling. Keep up the good work.
Sincerely,
Ben C. Dog

The Honorable
Mrs. Laird,

It is really hard to express how much I appreciate your help and great effort. You are definitely someone to admire for your tremendous dedication to the Seniors of "84" along with every other student in Socorro. If only every counselor was like you I am quite sure that our graduates would have been properly guided through high school and a very large percent of them would be placed in college throughout the nation. You have well earned the respect and admiration of the class of "84" (no doubt). It's sad for Socorro to lose one of the most valuable persons and worst of all one that cannot be replaced.

5-23-84

Sincerely Yours,
Tony Oropeza

P.S.
Thanks is not
enough for your
achievements in
getting me on the
yellow brick road.

MRS LAIRD

Well this is the end
of both of our careers
here at Socorro. I
know you'll make it
wherever you go. (I
feel pretty good myself).
You're a helpful person
and it's been a pleasure
having your help.
I hope you have a happy
and long life. Thankyou
mrs laird.

Our campus grew bigger and better. Bigger in the sense that the Junior high School was united with the High School campus which certainly eased the growing pains of the high school.

Not only did our campus grow bigger but our student body, faculty, and administration also grew. Our athletic department, clubs and organizations also expanded. Students were aware of the extended and different new courses offered at school. This indeed stirred a deep emotion of pride in the student body towards their school. The Socorro Independent School District has come a long way and is still reaching into the future.

Super science teacher

1

The 1984 ***El Chato*** is dedicated to Ms. Mary Ruth Hart. Ms. Hart has been at Socorro for eight years, teaching Physics, Chemistry and Biology. Sue received her M.A. at Southwest Texas State University in San Marcos.

Ms. Hart dedicates much of her free time to students who need help in the sciences. She is also active in school affairs, co-sponsoring the Key Club. A real "Bulldog Booster," she takes a great interest in school athletics.

The ***El Chato*** staff wishes to give Ms. Hart this honor as a partial repayment of the love and the dedication to learning that she has shown us over the years.

With the addition of the Freshmen and the new Sophomores, the Student Body swelled to about 1,500 students. There were approximately 275 Seniors, 330 Juniors, 450 Sophomores and 500 Freshmen. These new students brought with them new dreams and goals, new ideas and new challenges, adding more excitement to the changing environment — giving new meaning to the word SOCORRO.

These faces foretell the future of Socorro High School; they represent new ideas and new changes even more complex and more advanced than any in the past. They helped make a bigger, better, unified Socorro High School.

A thrilling Homecoming

7

8

9

The traditional Homecoming Week started off with a thunder shower, but skies had cleared up by Friday's pep rally. Preparations started long before with OEA girls selling garters and corsages. The Student Council always has their share with the car decorating contest and the Junior class decorated the main hall and the dance hall for Homecoming day.

Homecoming Day, October 7, 1983, started off with the exchanging of corsages and garters. The pep rally during first period was the rowdiest Homecoming pep rally ever. The Homecoming Court was introduced: Freshman Duchess was Yvonne Garcia escorted by Adrian Garcia; Sophomore Duchess was Corina Martinez escorted by Patrick Sifuentes; Junior Duchess was Sandra Grijalva escorted by Danny Zaragosa; Senior Duchesses were Viola Avila escorted by Marko Lopez, Laura Hernandez escorted by Isidro Macedo and Lady-in-waiting was Sandra Herrera escorted by Benny Lopez. The Homecoming Queen was Irene Flores escorted by Abel Ornelas.

Jerry Garcia won the car decorating contest.

The only Change made in the Homecoming traditions was the elimination of the annual bon fire by the Socorro Fire Dept. A little disappointed at this, but with no less spirit, the Bulldogs set out to make it the best Homecoming ever. Everyone headed for the football game at 7:30. The Socorro Bulldogs hosted the Hanks Knights, but lost 28-0. This didn't stop the Bulldogs; they danced the night away at Sts. Peter and Paul Hall.

We work for our future

9

Every year we share new experiences, whether it be in school or at home. Whether we play sports, or are active in organizations, we know what we strive for. It becomes part of our personality, and will later affect us in our careers. The Athletic type will probably pursue sports as a career. The socially active student will probably be involved with political or community activities. Each year brings more knowledge to our expanding minds.

Spirit prevails

Unity is the key word to success, which is just what the students at Socorro exemplify through our sports, clubs and organizations. We set goals, but goals are only accomplished when a group works as one. Our football players know that for plays to work, they have to work together towards their one goal. Club members merge in order for a fund drive to be successful. Teachers and students work together so our academic courses will run smoothly. Together we work as one.

(1) The Bulldogs put up a good fight against Gadsden. (2) Lisa Golden chats while waiting for the bell. (3) Mr. Reinhart gives a favorable speech about his Cross-country team at the Pep Rally. (4) Trainer Ms. Leigh Lookingbill attends an injured Bulldog. (5) R.O.T.C. students display the flags for the National Anthem. (6) Christy Vallejo really gets into the spirit of things. Where did all the time go?

3

It always seemed there was something to do: before school, in between classes, during lunch, or even after school. Students organized their time properly in order to get things done. Club meetings were held in the mornings or during lunch periods. No one had spare time on his hands; everyone was too busy doing classwork, organizing activities or getting dates. No matter what they were doing, they kept up with a hectic schedule, rolling with the flow of the school system. Some strove to be actors, some to be athletes, and some to be straight "A" students. Occasionally the students would take time out to relax under the campus trees.

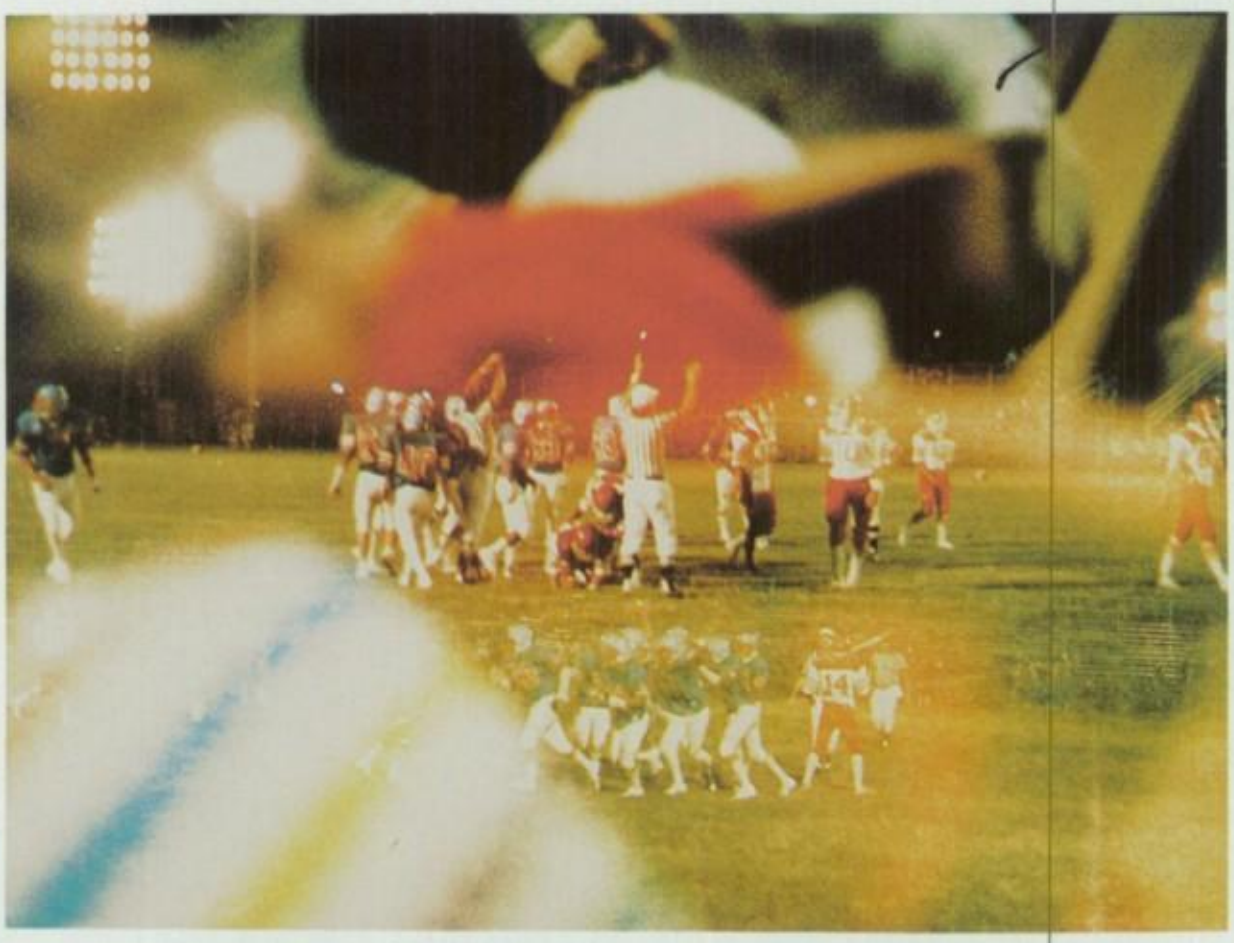
We progressed



Much progress has been made in the Socorro School District this year. In both the academic and athletic realms, we have experienced many changes. Many new classes were offered this year: Computer Science was made a requirement for graduation for all future classes; extra Physical Education classes such as Aerobics, Modern Dance and Archery were added.

Our athletic teams began to compete on an equal footing this year, fielding some very competetive teams. Our Girl's Varsity Volleyball team led the district for most of the year; our Cross-Country teams continued to place in all meets entered. The Varsity Football team, though not a constant winner, is no longer "an easy-touch." The bigger schools such as Bel Air and Hanks and Eastwood had very tough games with the Bulldogs.

As winter approached, so did many student activities. Students and faculty members participated in Halloween dress up day. A pep rally was held in honor of the girls' Varsity Volleyball Team who went to regionals. Aside from these, fund raising activities were held. Sweethearts of '84

The 1984 Beauty Pageant started off slow but ended with a bang. Twenty-two girl's were entered in the contest and twelve went into the finals on February 23. The theme of the pageant was called Socorro's Sweetheart, and the stage was all set up for the night. The styles for the pageant were sportswear, fashion wear, and formal wear. Bill Huddy, from channel 7, was the M.C. The Stage Band, the Missionettes and poppers, Alex Lizarrazo and Patrick Sifuentes, were a great hit.

All went well, with no problems and it was finally time to announce the winners. The second runner-up was Christina Lopez, first runner-up was Shannon Tidwell, and Socorro's Sweetheart was Marisa Napier. Everyone went on stage to congratulate the winners along with the other contestants, and then went home having had an entertaining evening.

Blood Donors set example

4

The new year started with the Annual Blood Drive; T-shirts were given to those who donated blood. Following the blood drive was the Spring football game and afterwards the Powder Puff Game. Although the beginning months of school were slow, the last months proceeded at a rather fast pace. Seniors kept busy with plans for their upcoming graduation. Warm weather started things rolling toward graduation and summer vacation.

Style? Everywhere!

Socorro High is unique; the people in Socorro and their clothes show the style it has. Each person has a unique personality, which makes observing the Bulldogs interesting.

Punk Rockers seemed to enjoy themselves in bright colors, crazy t-shirts; comfortable jeans, exotic fashions, tennies or low heeled pumps — always astonishing teachers with their wild and crazy style.

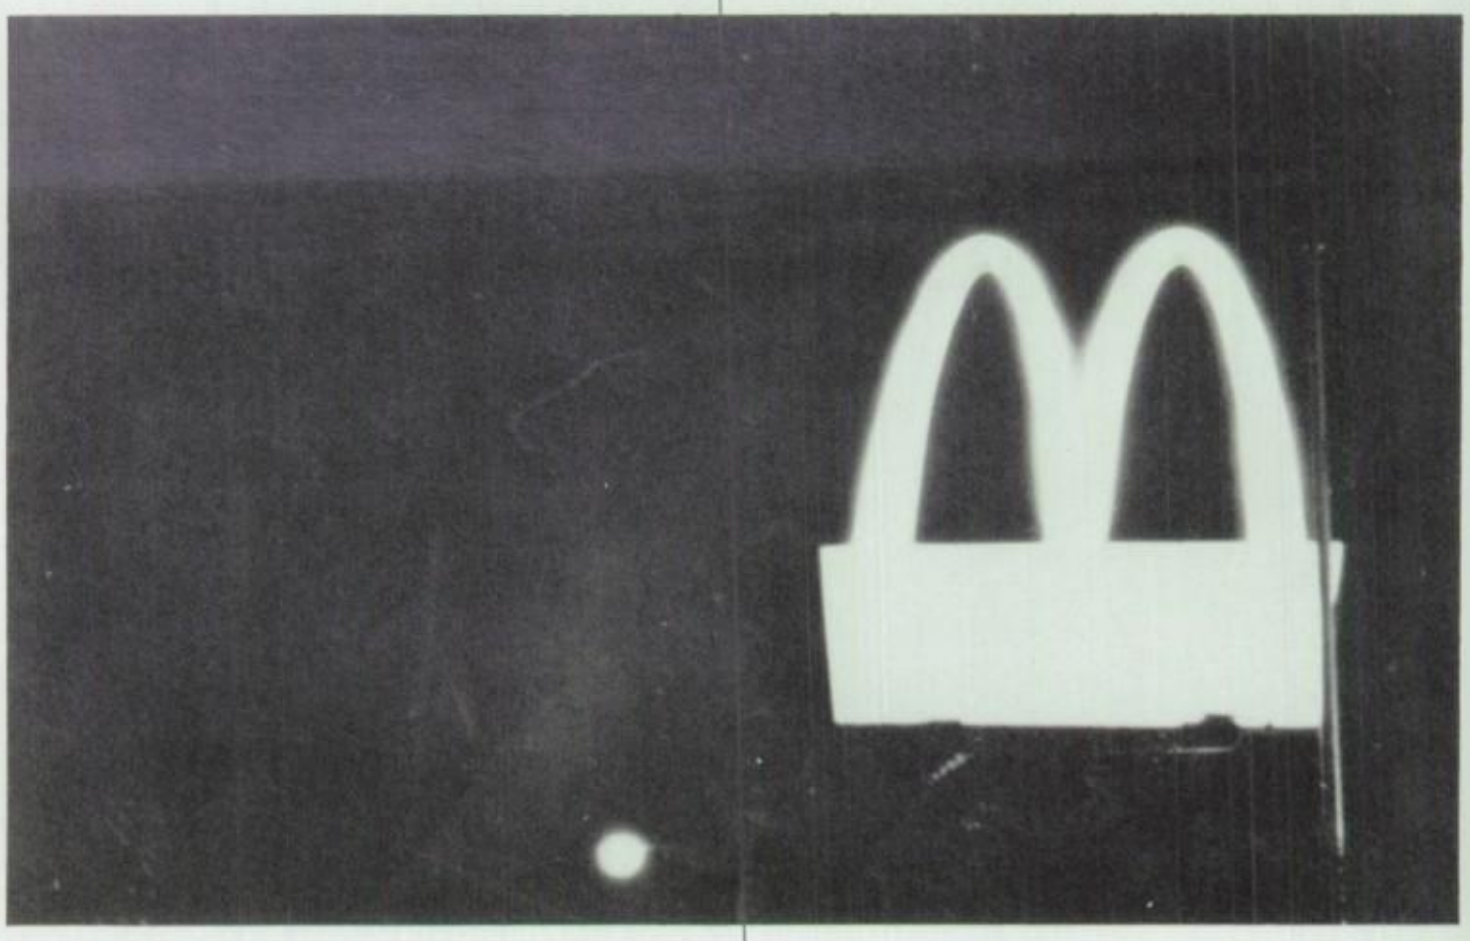
Garb seen at Socorro became classy this year. Ties became an enjoyable routine at school. There also appeared a select group of guys called "poppers." These individuals really got into the swing of things with tuxedo shirts, ties, pleated pants and leather uppers. They were often seen practicing their moves.

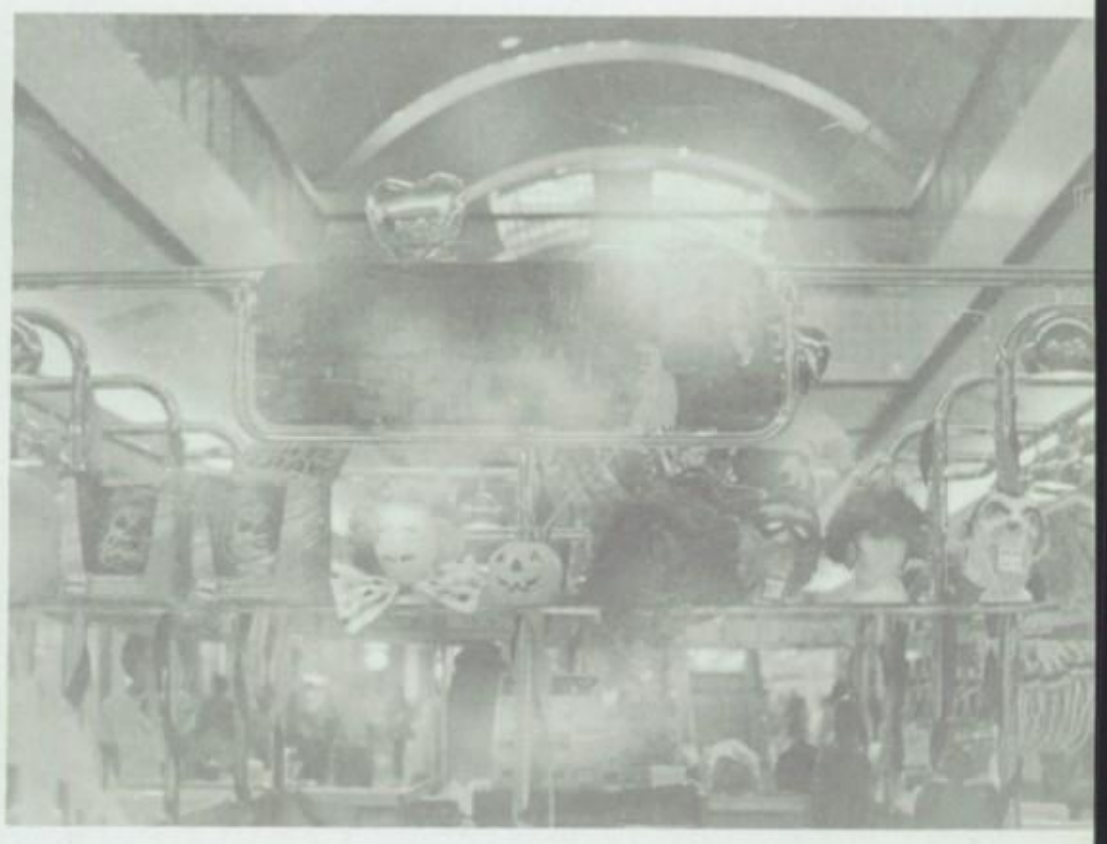
Checkers invaded Socorro. Vans in all the colors imaginable swept Socorro. Black and white checkers were everywhere. Pink and Purple, red and blue, black and yellow! Everywhere!

There also existed the coolest boots. Usually made of leather, ankle high, flat or low pumps — ubiquitous.

Good old tennies or cowboy boots were always comfortable and completely in style.

The best of Times



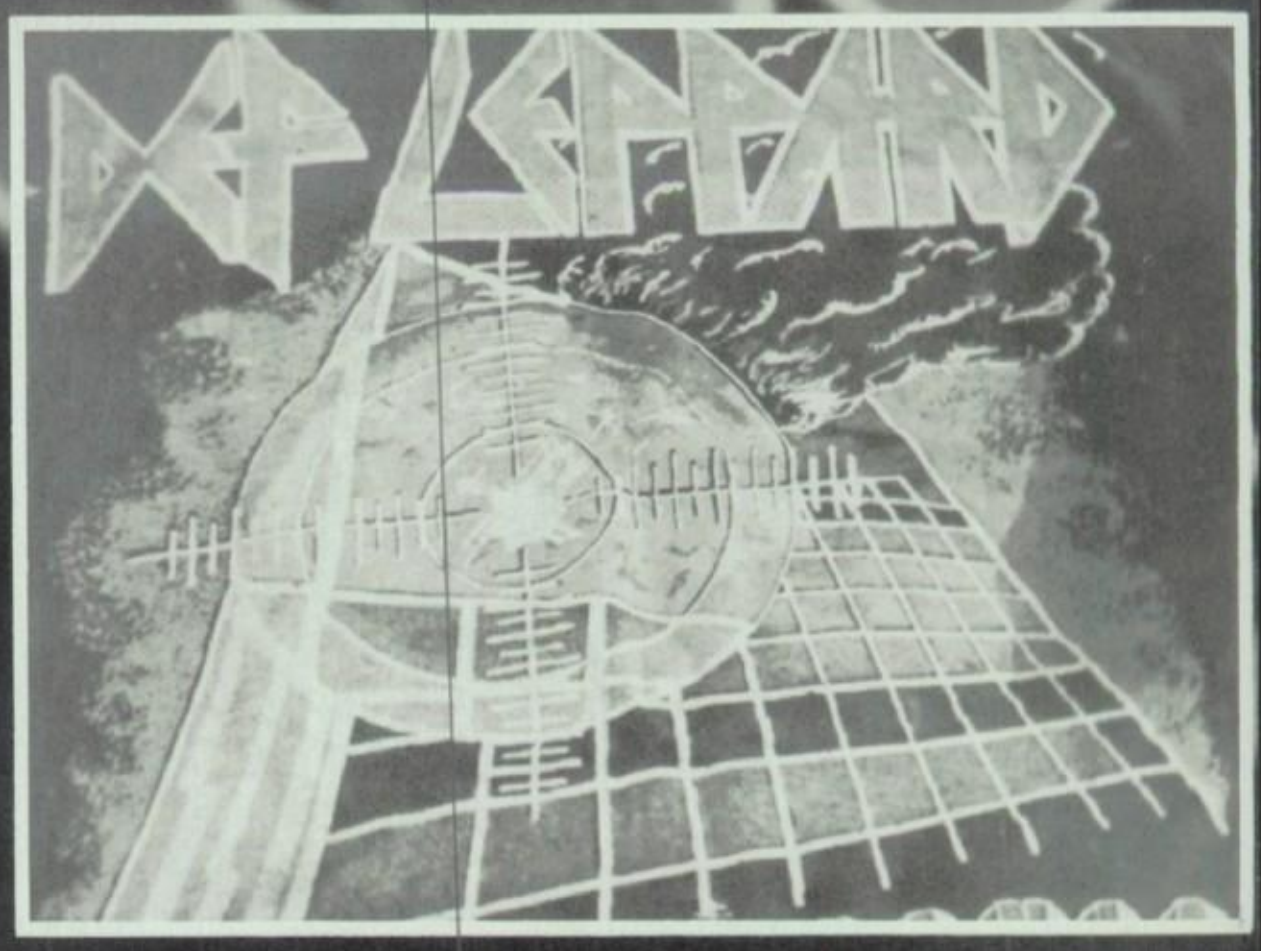


Socorro High students kept themselves entertained througout 1983-84. The Bulldogs sought that special place in the mountains which became the stage of fun. Castle Park was also a good place to find Bulldogs relaxing on Saturdays.

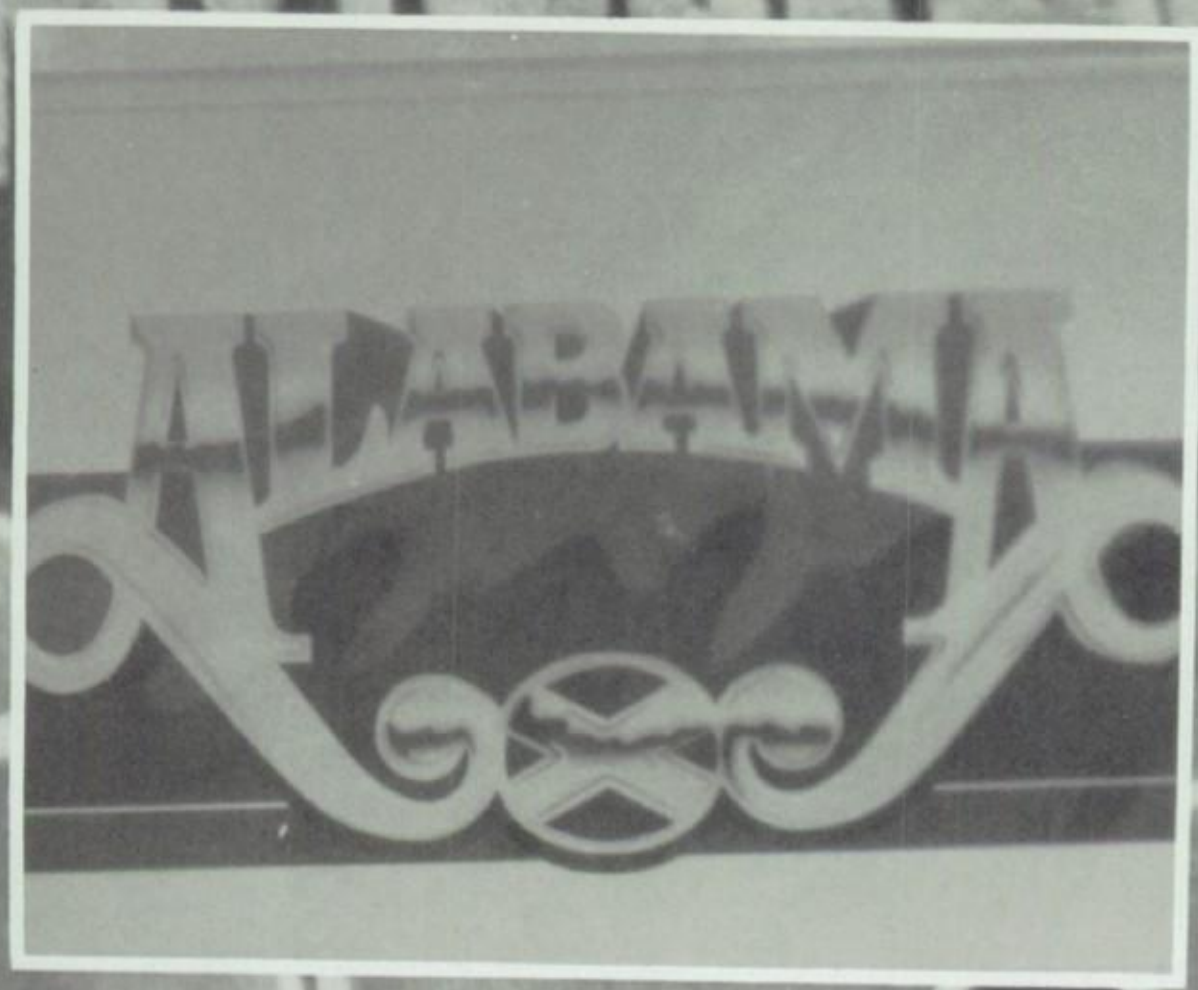
The campus was the starting point of all parties; from here the plans for the weekend would start. Socorro High was the basis of our pastimes; from here, who knew where we would end up at night?

IRON MAIDEN

THE BEAST ON THE RUN



DEF LEPPARD



Bang your head

Going to concerts became a number one pastime at Socorro High. Concert ticket prices ranged from $8 to $15, although prices don't matter much, when it comes to seeing one's favorite rock group. Rock T-shirts dominated the garb at Socorro; the prices ranged from $10 to $15.

Among some of the concerts held in El Paso were: The B-52's, Iron Maiden, Rick James, Alabama, Quiet Riot, Loverboy, Eddie Money, Eddie Rabbit and The Police.

El Pasoans, including the Bulldogs, saw themselves totally involved in a great controversy when Joe Elliot of Def Leppard made a derogatory comment about El Pasoans at a rock concert. Although he apologized a couple of weeks later, Def Leppard no longer exists here in El Paso.

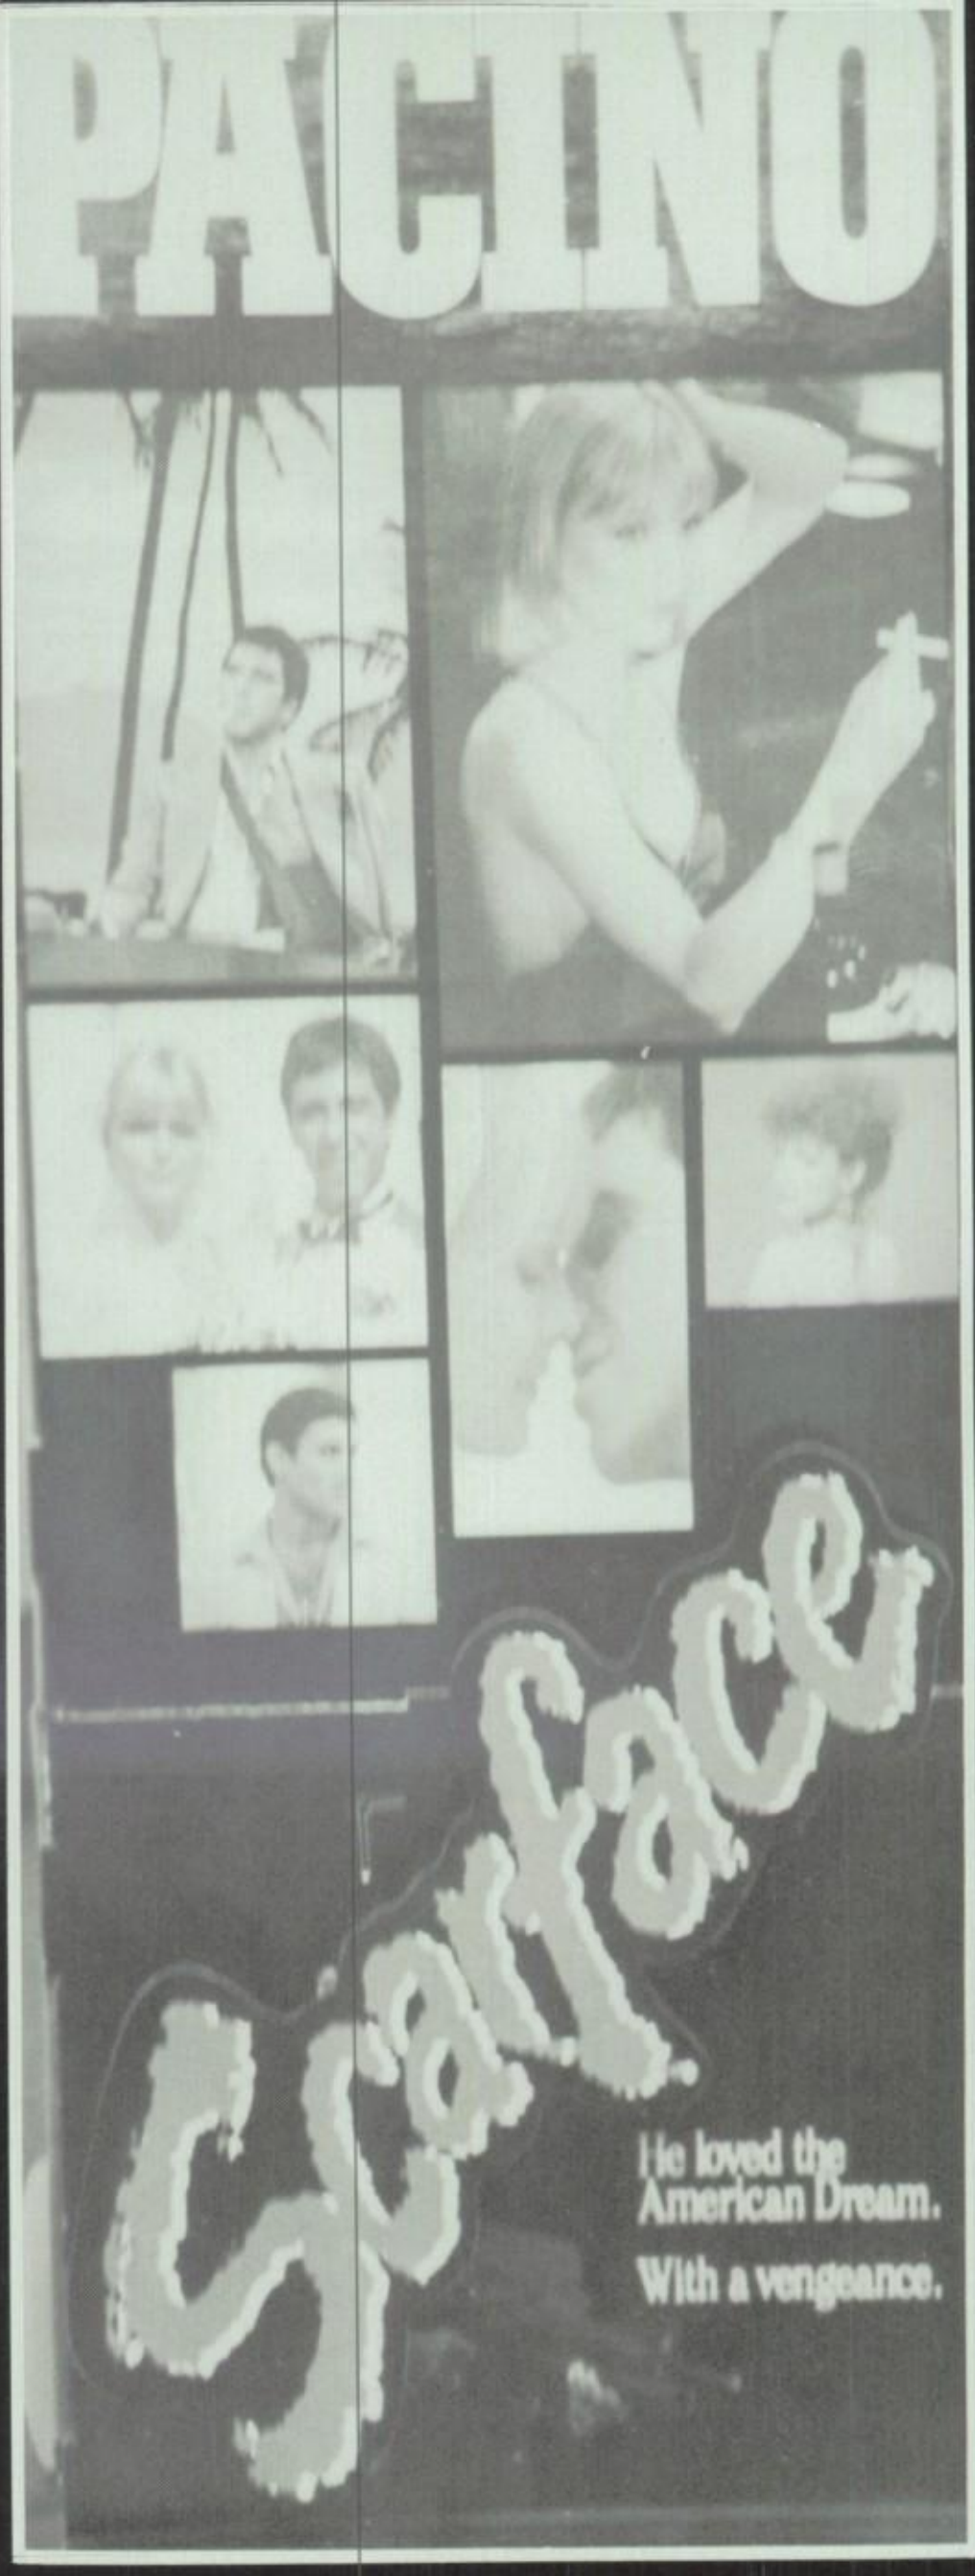
In 1983-1984 a variety of music took the stage in Socorro. Some of the musical styles which became popular were country, rock, punk rock, and Hard core Punk. Favorite albums and soundtracks included: "Thriller" by Michael Jackson, "Cargo" by Men at Work, "Flashdance" from the movie ***Flashdance.*** "Get Lucky" by Loverboy, "Diver Down" by Van Halen, "Number of the Beast" by Iron Maiden and "Hell's Bells" by AC/DC.

Top rated radio stations were KSET, KLAQ and K-102. Favorite songs included: "Feel the Noise", "Long Distance Love Affair", "Maniac", "Love is a Battlefield", "Islands in the Stream", "The Closer You Get", "Bang Your Head", "Rock of Ages", "When the Walls Come Crumbling Down", and "Beat It".

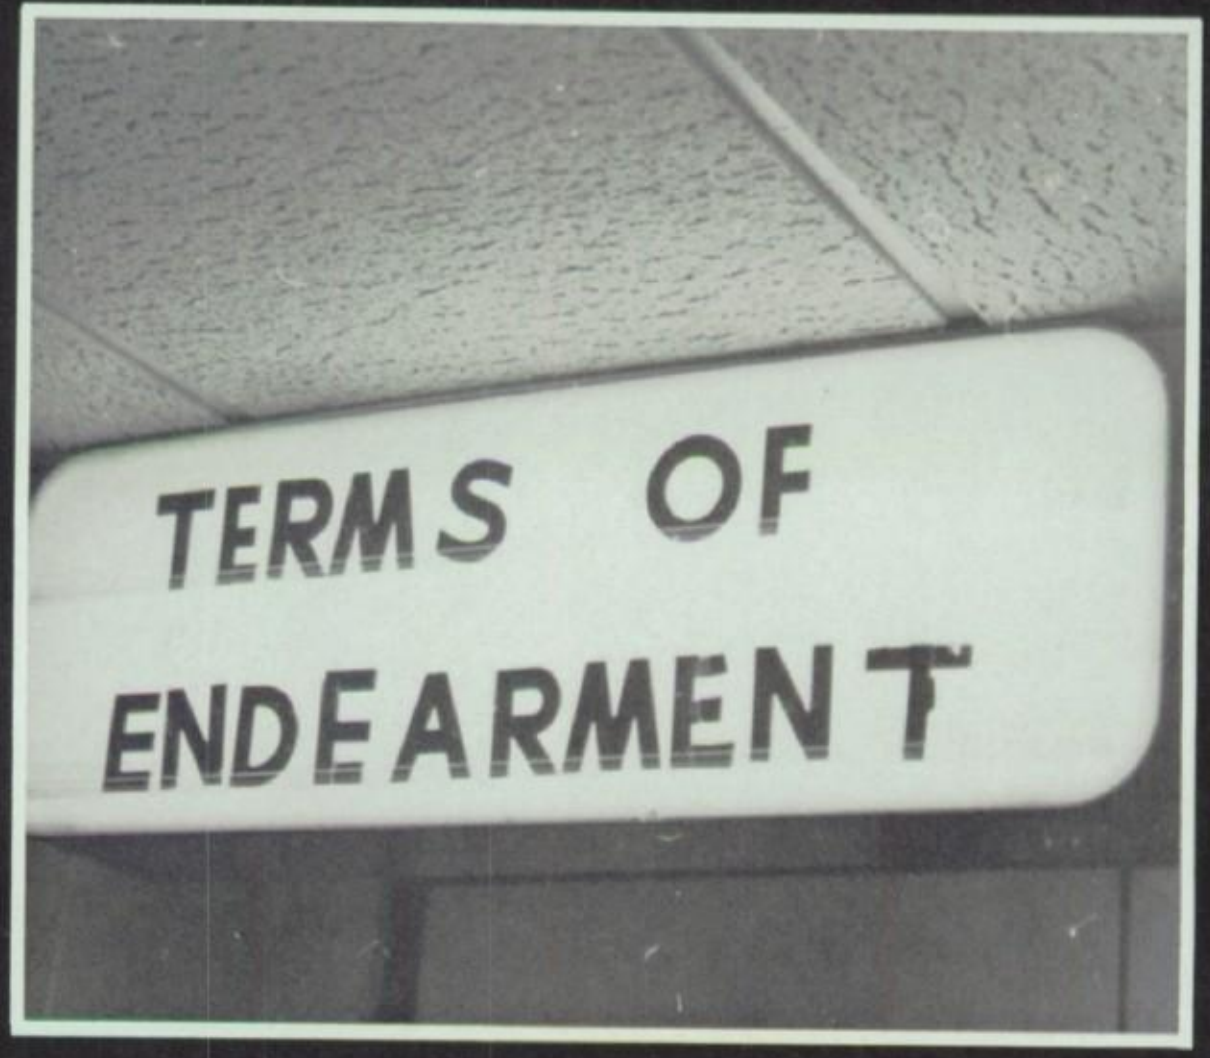
Movies —

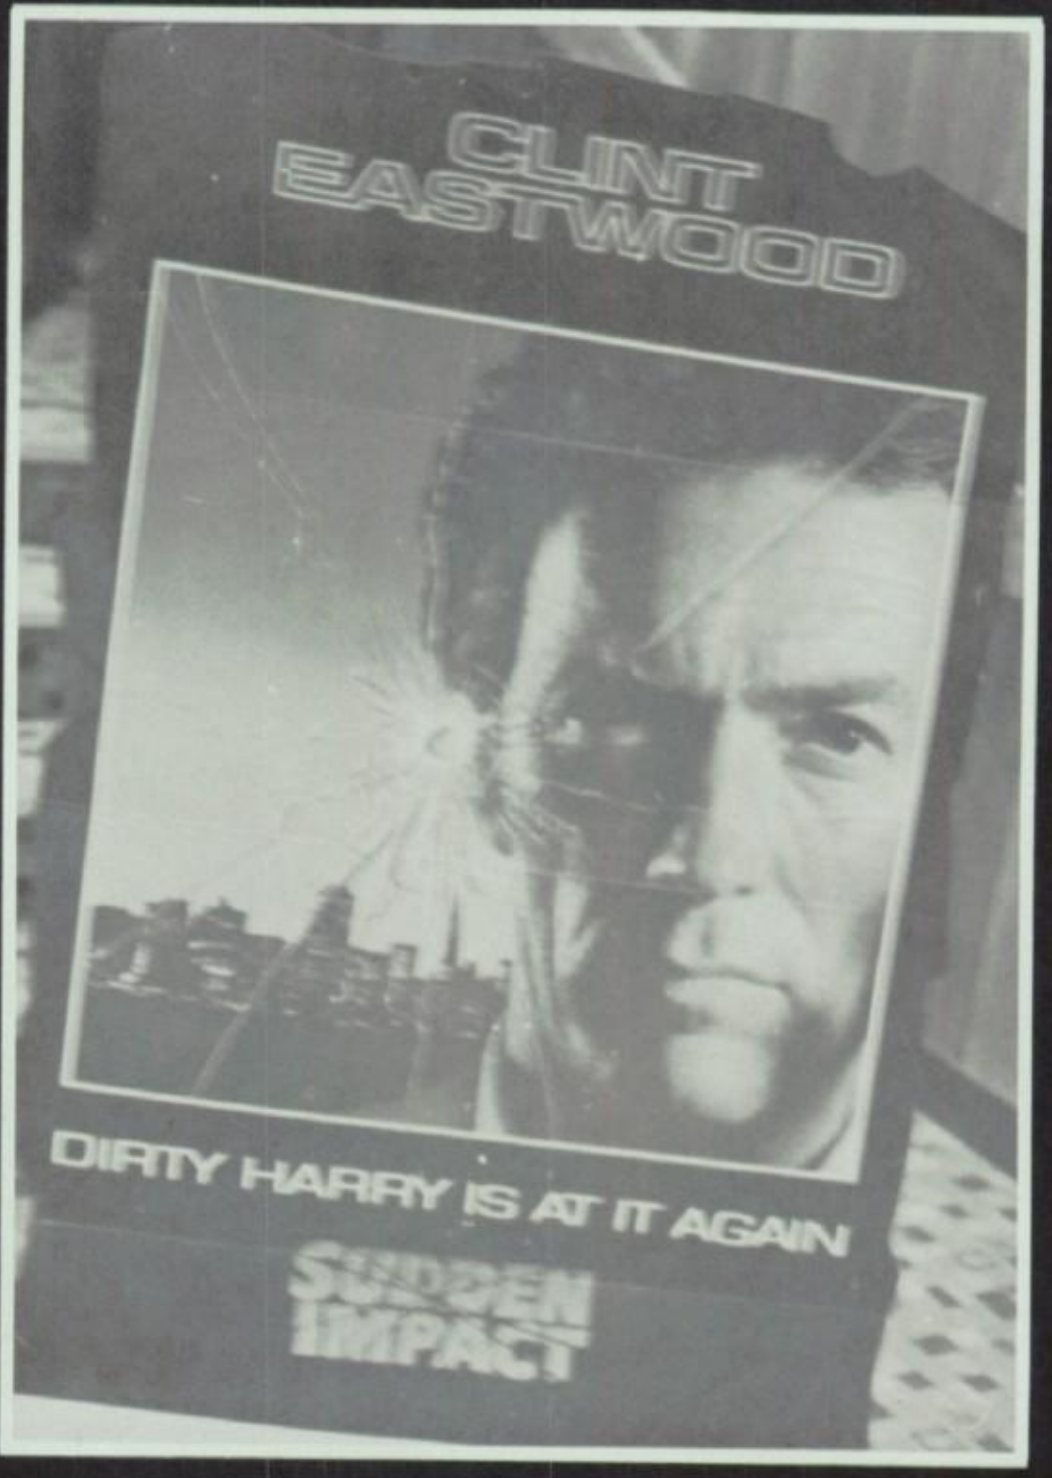
In 1983-1984 a great variety of movies appeared all around the nation. There were comedies, musicals and many others. Among the favorite movies this school year were the musicals ***Staying Alive*** and ***Flashdance. Flashdance*** won two Golden Globes awards, both for music, one of which was best song for "Flashdance . . . what a feeling." The comedy ***D.C. Cab*** starred television's favorite character, Mr. T. ***Scarface*** starring Al Pacino was very popular. ***Terms of Endearment*** led all film contenders at the 41st annual Golden Globes with four awards, including best motion picture drama award. ***Yentl*** also received an award for best musical and best director.

Other favorite movies of 1983-1984 were ***War Games, Sahara, Sudden Impact, Christine*** and ***Cujo.*** This proved to be a great year for movies.

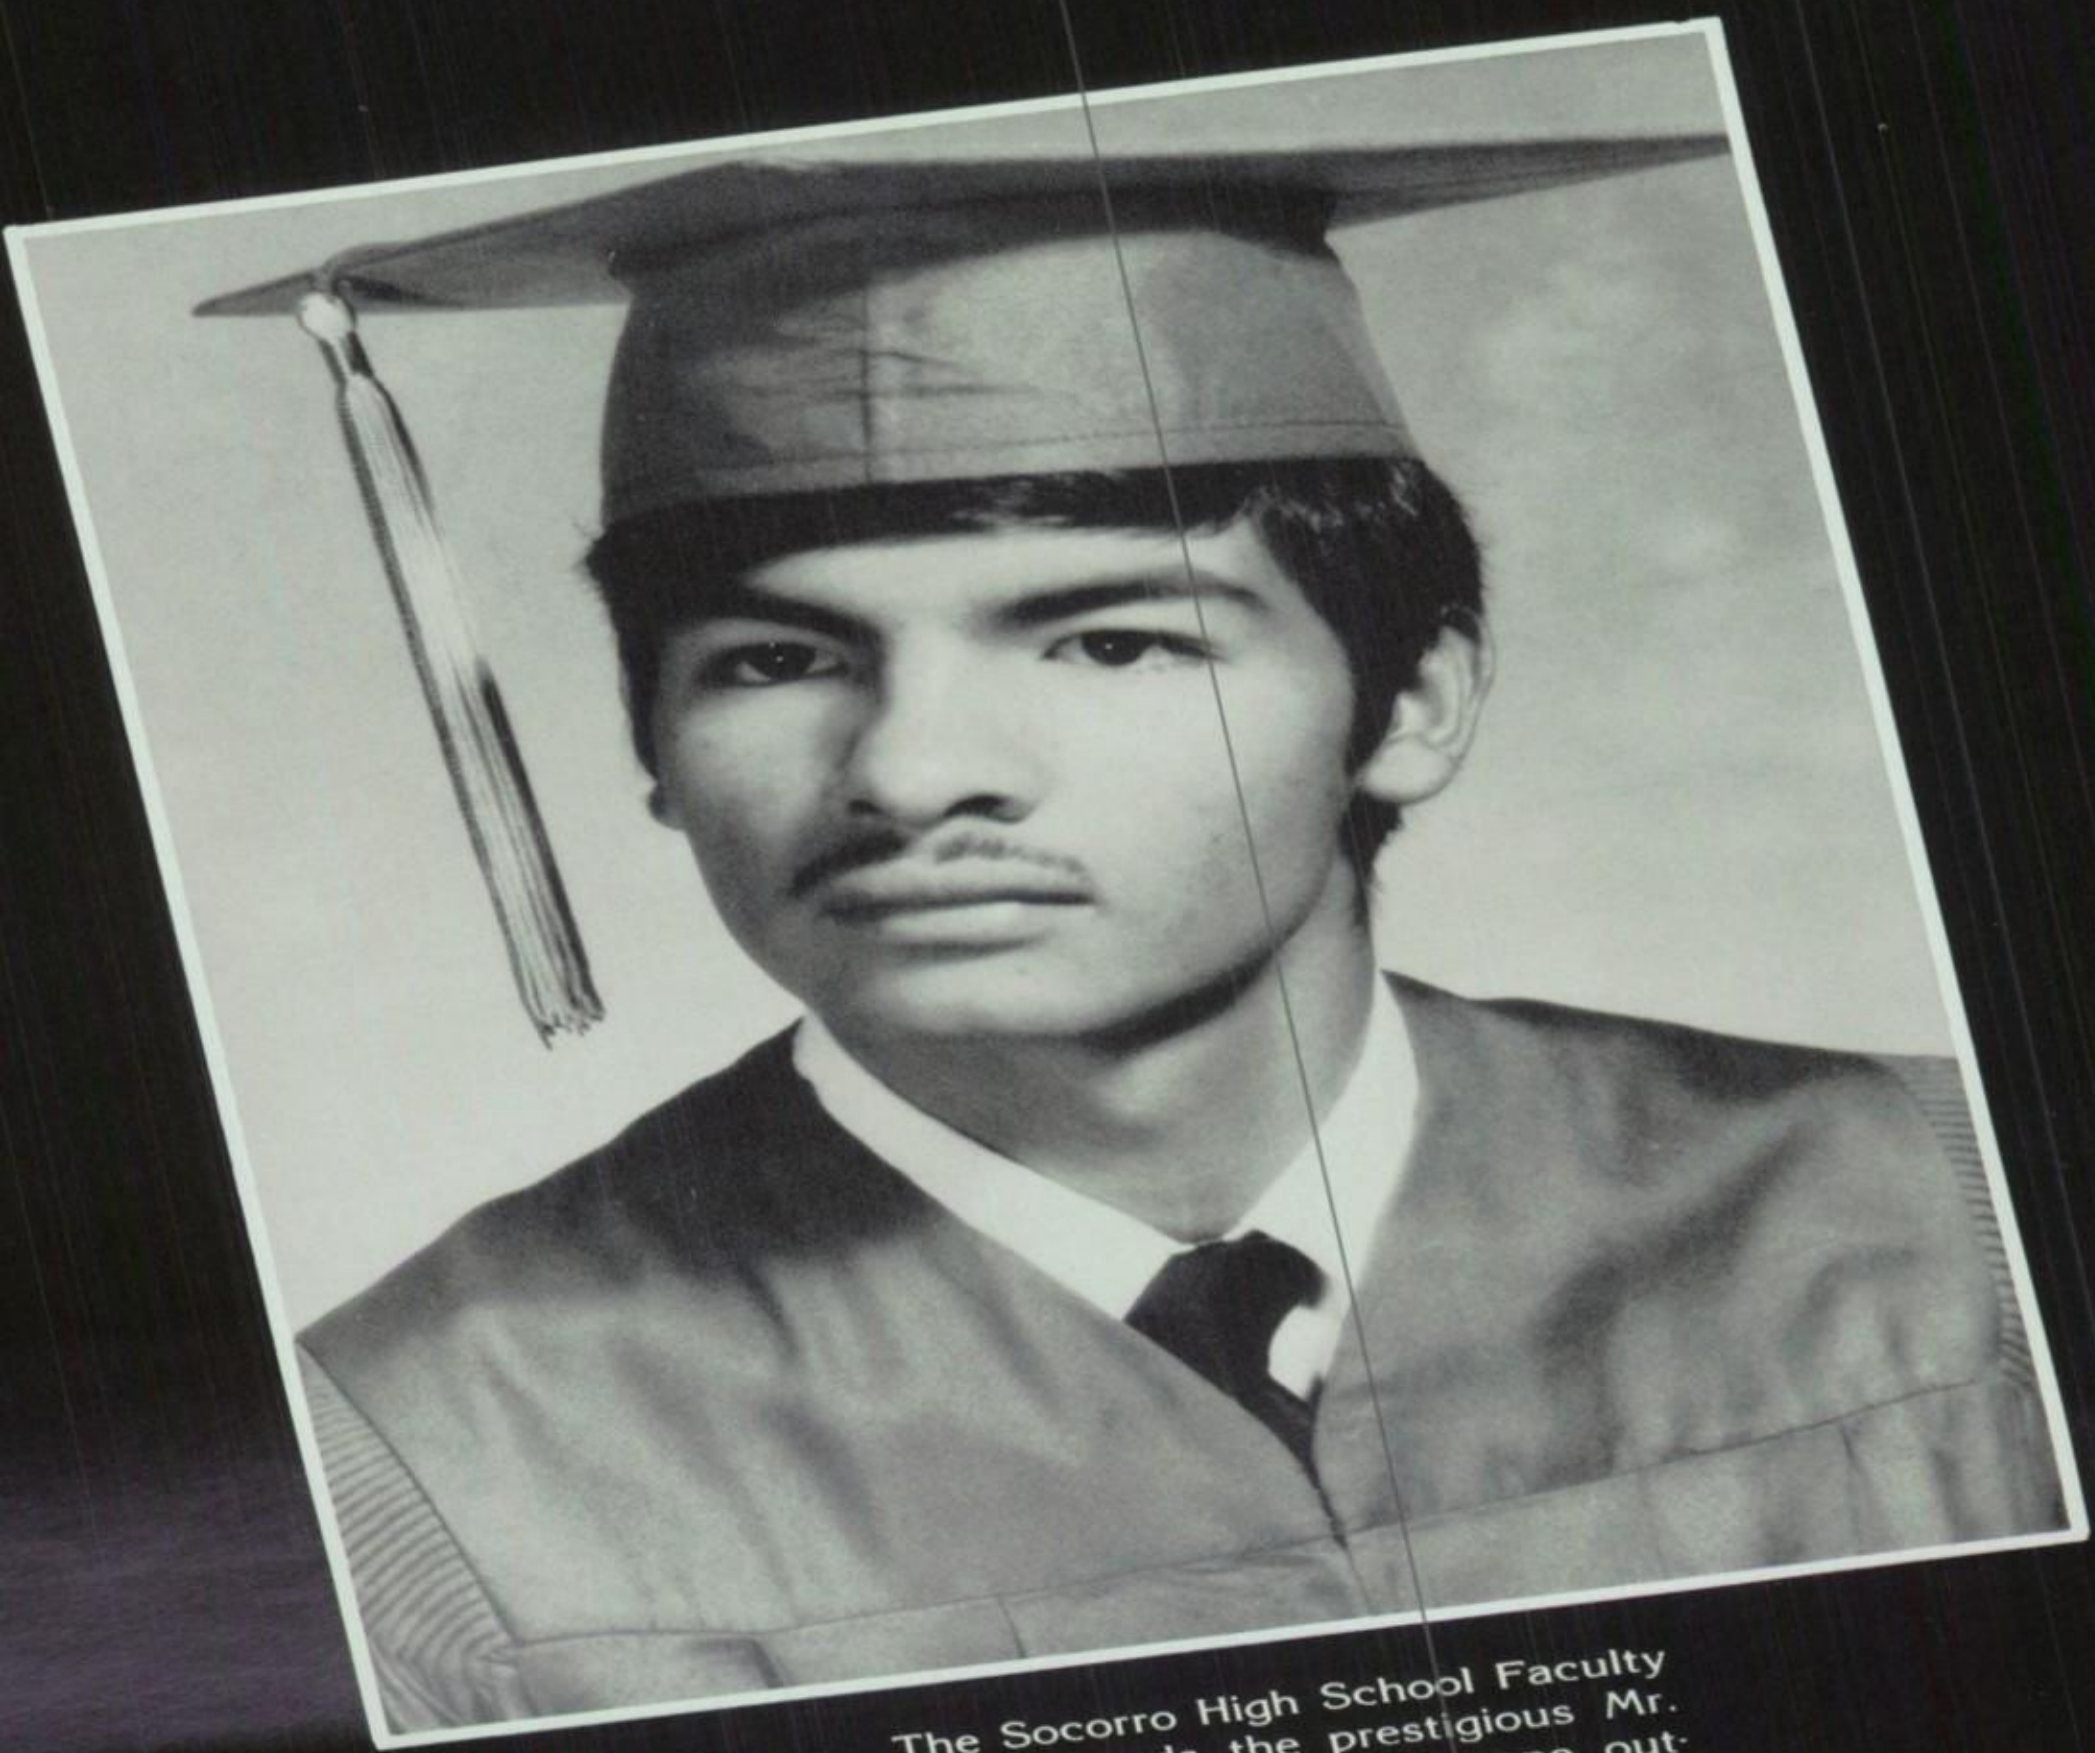


Dreams which come true on screen . . .





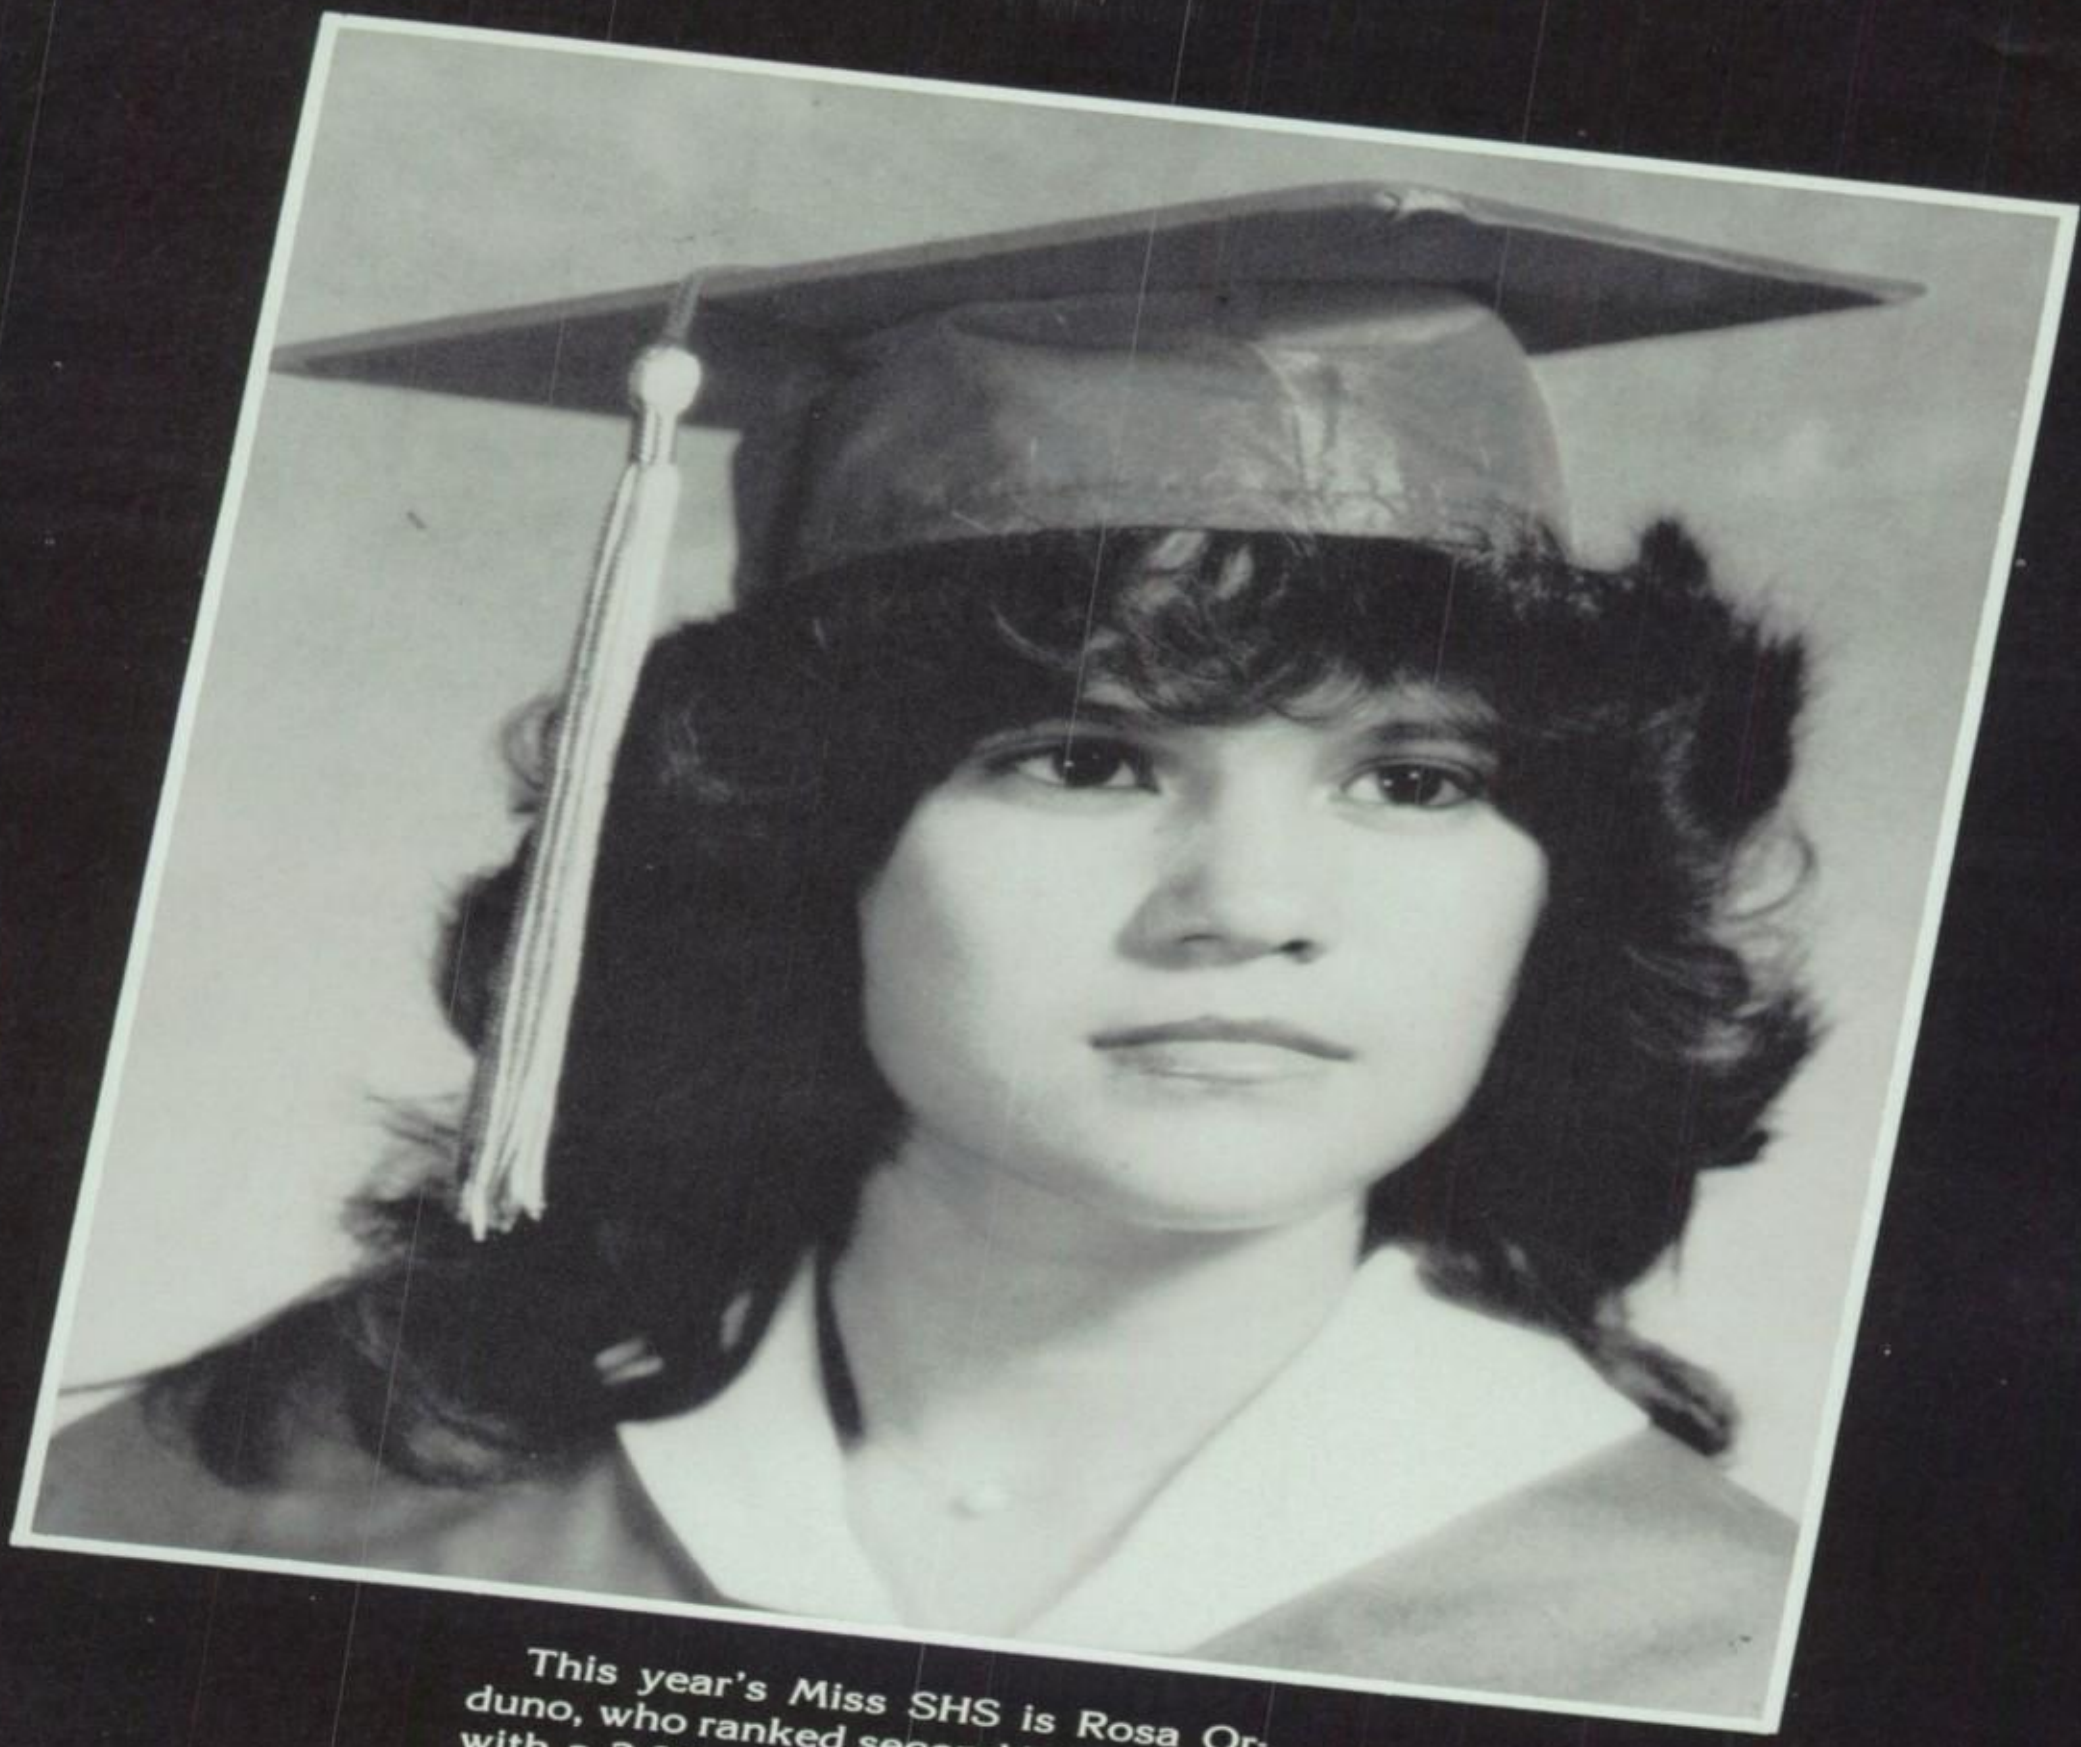
Faculty bestows



The Socorro High School Faculty anually awards the prestigious Mr. and Miss SHS awards to one outstanding boy and one outstanding girl in the Senior class. The students are chosen on the basis of academic achievement, as well as service to the school and to their fellow students.

Mr. SHS for 1983-84 is Tony Oropeza. Tony had a 3.89 average and was rate ranked fifth in his class. He has served on Student council for two years, and has been a Drill Team member, a NHS member and a PAL member for the last two years. Tony was a finalist for an appointment to every major military academy. His first choice was the United States Military Academy at West Point, New York.

Highest honor



This year's Miss SHS is Rosa Orduno, who ranked second in her class with a 3.97 grade-point average. She has been active in Student Council, Math Club, Spanish Club. She was the President of the National Honor Society this year, and was Prose Editor of the Literary Magazine, ***Impressions.*** She belongs to Who's Who, and has competed in area contests in typing and calculator. She still found time to sing in a local choir and to work on extracurricular activities such as skating parties and dances.

Math Club develops skills

The Math Club was founded in 1979 to create enthusiasm for Mathematics and to supply help to students of mathematics. Club members tutor other students who have difficulty understanding mathematical concepts. The club members enter UIL competition in number sense and calculator skills. This year the club raised a substantial amount of money for college scholarships to be awarded to deserving mathematics students.

Math Club members are: (kneeling, l. to rt.) Maria Ramirez, Maria Lopez, Yolanda Lespron, Lupe San Miguel. (Standing, l. to rt.) Becky Rangel, Pres., Sylvia Carrera, Secretary, Bonnie Grijalva, Vice pres., Sarah Guerra, Cecilia Hagelslieb, Mr. Joe Heavens, Blanche Jones, Juan Reyes, Raul Flores.

FFA has busy year

The Socorro chapter of the Future Farmers of America started off the year with one main interest: getting their livestock ready for competition.

They held many of their annual fundraisers, including fruit and cheese'n sausage sales. Near the end of the year they had their traditional BBQ banquet. The money raised went toward their animals.

FFA members took a number of field trips to livestock shows in different areas such as Lubbock, Sul Ross and San Angelo, where they were involved in livestock and grass judging competition. FFA had leadership teams who also competed in various areas in the district contest in November.

Positive: FHA seeks new approach

FHA, a group formed from the homemaking classes, devotes much time giving to and caring for Senior Citizens. They visited Sunset Haven Nursing home. They also had a daughter-to-mother banquet, which was a great success. The FHA had an enchilada sale, a cake raffle and a cinnamon roll sale. The money went to pay state and national dues, buy FHA t-shirts, and for district and state meetings. Working toward one goal

David Pena calls the signals.

The 1983-84 Varsity Football Team came into the season with one main goal: to beat a 2-5A opponent. They accomplished their goal. Contrary to the prediction of the El Paso ***Times,*** the Bulldogs came back from an 0-3 season to beat the Riverside Rangers. It was the Bulldogs' first district win since joining the 2-5A system. Although not expected to win this year, the Varsity Squad surprised a few people.

With a lot of help from Mike Carrasco, the Socorro offense got off to a shakey start, but steadily improved each week. We proved not to be "sacrificial lambs" for our 2-5A foes, as the ***Times*** stated early in the season.

J.V. has the right stuff

The 1983 J.V. football team started their season with an exciting win against Burges and gave a great performance throughout the year.

"I'd like to thank all the players for their hard work and determination to win. This year's football team has been the best J.V. team in a number of years; their losses were insignificant compared to their performance," said coach Gonzales. I would also like to thank Coach Sanders for his outstanding work with the linemen and defense, he added.

Bi-District Title: Another First

Coach Frank Perez told the Varsity Volleyball team that they would win if they had pride. Well, it took plenty of pride and plenty of ability to do what they did. After finishing second in District, the girls went up against the Burges Mustangs, winners of District 1-5A in the Bi-district playoffs. After losing the first game, and trailing 0-10 in the second game, the girls dug deep down to come back and upset the Mustangs; it was the first Bi-district crown ever for a Bulldog team. Esther Gonzalez and Norma Navarette made the all-District team; Diana Delage made the second team. Coach Perez was named Coach of the Year by both the El Paso ***Times*** and the ***Herald-Post.***

A very intimidating team

1

2

Our main goal on the volleyball team was to intimidate our opponents. Everyone in the city had a taller B-team then we, but height doesn't count when you're playing a team that is quick and smart. The girls have been practicing since summer. With long hours of work-outs and weight training, the girls had a successful year.

Coach Brown considered Sandra Vasquez, Rene Holguin, Maria Navarro, Lilly Reyes, Grace Herrera and Becky Acosta his best players.

A Fresh new look at volleyball

With no experience whatsoever and not much size, the girl's Freshman Volleyball team went on the court with nothing but the desire to win. The young players learned quickly and did a great job in the 1984 season.

"The highlight of the season was the girls' ability and desire never to quit," explained coach Robert Roeder.

With the great attitude and ability of the team, the girls should be a bright part of the Bulldogs' future.

Going out in front

Cross Country is a sport which requires stamina, endurance and dedication. This year the 1983-84 Boys' Cross Country team exemplified all of these requirements. They would start out early every morning on a regular route, running several miles at a time. They strove for much more this year, and achieved much more.

The Junior Varsity runners went out in front and took first place in District 2-5A. The Varsity runners didn't do as well as they had hoped. All in all, they had an execptional season, and they found that hard work pays off.

"We wanted to take district ever since last year and now we want to keep it going," said coach Dale Reinhardt. Top runners were Margie Bernal, Letty Martinez and Ruby Lyons.

Keeping it up

The Varsity Boys' Basketball Team opened the 1983-84 season with an impressive five-game winning streak. The streak started with a victory over Canutillo in the season opener. The momentum carried on into District 2-5A competition. The Bulldogs entered district with a 7-5 record. They upped it to 8-5 by beating Bel Air in their first district game. They were tough competitiors in the District race. The scoring power of Abe Ornelas along with help from his teamates Louie Cabrera and Albert Fuentes, contributed to an impressive season.

Determination Brings Success

Under the direction and guidance of Coach Paul Madrid, the 1983-84 girls' Varsity Basketball Team opened their season with a victory over the Austin Panthers.
A new gym and a new attitude made the girls tough contenders against more experienced competitors. The girls defeated El Paso High, Bowie and Ysleta to take a first place in their own Tournament for the second consecutive year.
Determination, combined with great coaching, brought about a very successful season.

J.V.: next year's champions

The 1983-84 Junior Varsity basketball boys opened their season with a close game against Canutillo. With only one person returning, the B-team the team did quite well and won most of their games.

Frosh learn roundball

The 1983-84 Freshman Boys Basketball team headed by coach Darrell Jordan did a fine job during their season. The Bulldogs won some games and lost some, but the enthusiasm of the team was always there. Many players were new to the game and worked hard in learning the fundamentals and techniques of basketball. Hard work all year enabled the Bulldogs to compete with tough district foes.

For the 1983-84 Freshman girls Basketball team and coach Robert Roeder, the season was very tough one.

The girls put in many hours of hard practice, which worked to their advantage. The Bulldogs played hard and put some wins in the victory column. "The girls were willing to learn and do the things necessary for a successful season", explained coach Roeder.

The Bulldogs ended the season having accomplished many things and showing great progress.

3. Syria smiles pretty for the camera.
4. Letty Martinez is too pooped to do sit-ups.

Doing it with power

The Varsity Baseball Team opened the 1984 season with a 6-3 decision over Irvin on March 1. The Bulldogs had the advantage of experienced players and good attitudes. The baseball team progressed nicely under the coaching of Leon Antwine, Most of their victories were not only due to pitching technique, but to the teams' batting power.

Playing as a unit helped the team end the year with an impressive record.

1) Javier Quintanilla practices batting before a game. 2) The 1983-84 Varsity Baseball Team members are: Coach Leon Antwine, Francisco Escapito, Javier Quintanilla, Manny Molina, Patrick Lujan, Manny Reyes, Cesar Estrada, Victor Rodriguez, Peter Castillo. Rudy Saenz, and Juan Chavez. Sitting are: Manny Rubio, Robert Rodela, Danny Fresquez, Robert Legarreta, Richie Armendariz, Frank Gutierrez, Alex Garcia. 3) Coach Antwine and manager Sylvia Saldivar take a break. 4) Javier Quintanilla shows off his glove. 5) Leonard Montion practices his pitching technique.

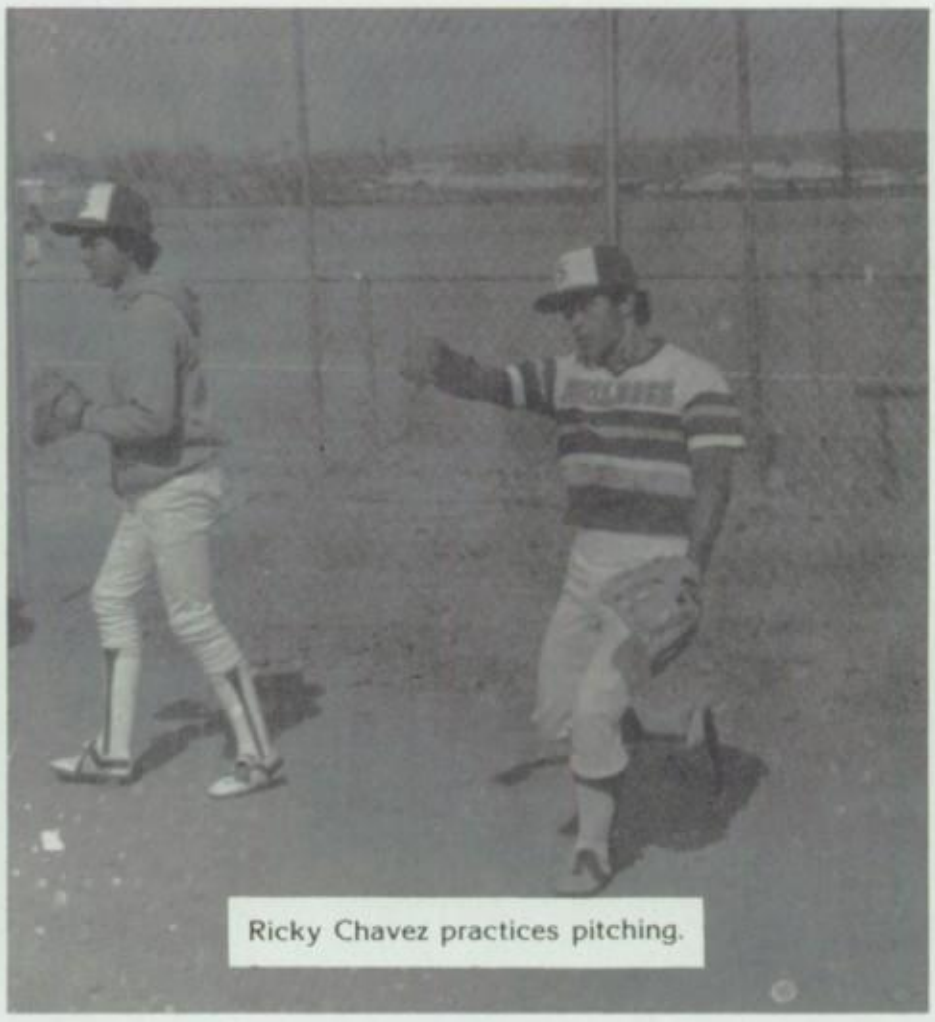
Bulldogs warm up before their tournament.



Ricky Chavez practices pitching.

This is coach Forbes third year coaching at Socorro and going into the finals against Coronanado in Socorro's tournament gave them a head start. Coach Forbes considered Bobby Rodela, Jaime Reyes, Peter Granillo, Eddie Castillo, Manny Alvarez, Tury Saenz, Richard Ortega, Mike Ortega, and Ricky Chavez the best players. Coach Forbes considered Ysleta one of his toughest opponents.

Golfers break par

With only six players, the 1983-84 Varsity Golf team stepped on the green and performed like a great team. The season started February 17 at Vista Hills Country Club. The members performed well, and Senior Shawn Williams was said by coach Frank Perez to be "the best player on the team."

(1) The 1983-84 Golf team members are: (left to right) Jim Cubberley, Charles Bolinger, Walter Hurd, Shawn Williams, Tom Rodenhaver, and coach Frank Perez.

Letty Padilla· Editor
"Producing a yearbook has really helped me o become more active and to know the true meaning of responsibility."

Rudy Ortiz· Sports
"I have learned many things about reporting and layouts for both the school newspaper and yearbook. I enjoyed doing it, too."

Lupe Hernandez· Ads
"I enjoyed working with people and combining ideas to accomplish a goal."

We leave fond memories

Viola Avila· Honors
"I learned what Honors really mean and how important it is for a yearbook."

Kay Menendez· Seniors
"I have learned a lot about yearbook and newspaper production and reporting itself. I think the class is great, and I enjoyed being on the staff."

Nora Reyes· Lifestyles
"Yearbook is a responsibility which either builds your character or destroys it. You either do it or you don't. In this case we made it, and we made it GOOD!"

Lisa Golden- Ads
"I hope people will enjoy and appreciate the hard work I have put into all my pages."

John Hodges: "Don't miss deadlines."

Regina Foster- Clubs
"In being on the yearbook staff I've enjoyed learning photography and the making of a yearbook; it gave me a good feeling to let people know what's happened in school."

Mr. Charlie McDonald- Advisor
"AMEN!"

Rache Verela- Clubs
"I enjoyed being in the yearbook and found out how much friends are needed. We've really had sad and enjoyable moments. We've cried and laughed together," that's what this yearbook was composed by: friends."

Lupe Munoz- Sophomores
"I learned how to be responsible for what I committed to, and I also learned how to work with people."

Martha Alvarado

We reach the end of the road

Finally, the last page of the 1984 yearbook! For the graduating Senior staffers, this was their last shot at producing a high school yearbook. No one who has ever been on staff can ever feel the frustrations and joys of trying to fit a school's personality into a book.

Most of us worked on the two yearbooks prior to this one. We have seen our weaknesses and tried to improve on them. Although Senioritis was a problem, we managed to combat it. I can honestly say that it was quite an experience for me and one that I will always treasure. This yearbook will always have a meaning for us, the graduating class of '84, as this is "our" yearbook. No matter where each of us goes, this book will always keep us together.

Dear Mrs. Laird,

I'd like to thank you for everything you've done for me during my high school years. You have helped me a lot - not only in my academics but also in my personal life. You got me through a lot of hard times. I don't know what I would have done if you hadn't been there. I'm going to miss you a whole lot - I'll never forget you. Have fun in Washington! Maybe I'll come visit you when I get to Juliard. Well, God bless! - I'll keep you in my prayers!

Love ya',
Jenny Blaine
